

## General Information

DMD Product Code: **11298**      Product ID: **53470**

Product Name: **11298**

Description: **4 Cavity Empire Biscuit Tray**

### External (Cut Size) Dimensions

Registration of formed part in overall cut size may vary +/- 1 mm

Length: **190 mm**

Width: **190 mm**

Diameter:

Depth: **40 mm**

### Internal Cavity Dimensions

No of Cavities: **4**

Length:

Width:

Diameter: **80 mm**

Depth: **40 mm**

## Raw Material Details

Type: **PET**

Colour: **Clear**

Quality: **Food Grade**

This product is indented for use in direct food contact and as a result all sheet used in the manufacture of this product complies with current U.K. and E.E.C. regulations regarding materials in direct contact with food.

Density: **1.350 g/cm<sup>2</sup>**
